Sub: Extension of approval to **SITADEVI RATAN CHAND NAHAR ADARSA COLLEGE, 5TH MAIN ROAD,, CHAMARAJPET,, BANGALORE - 18, , ,** for the year **2005-06-reg.**

Sir/ Madam,

As you are aware, **All India Council for Technical Education** has been mandated under the AICTE Act, 1987 to ensure **maintenance of norms and standards** with regard to technical education in the country. In exercise of this mandate, the Council insists on fulfillment of the minimum requirements prescribed for imparting technical education by the institution so that **quality of courses** is not compromised and stakeholders are satisfied. The Council also undertakes an **annual Inspection** of the institutions and conveys deficiencies to them for **rectification**.

It has been observed however that notwithstanding the Council's **repeated advice** to comply with minimum norms and standards, many institutions continue to be **complacent** about taking steps to remedy the deficiencies.

Such institutions suffer from **critical deficiencies** of faculty in proper cadre ratio, qualification, experience and other requirements. Feed back of students with regard to quality of education imparted by such institutions has evoked grave concern. The Expert Committees, following **holistic appraisal** during inspections, have also pointed out severe shortcomings.

The institution has been found to be suffering from several deficiencies, which are listed in **Annexure-A** for your perusal. Shortage of faculty is of gravest concern.

The deficiencies in respect of faculty (including proper cadre ratio & qualification etc.) could have rendered your institution liable for punitive action including being placed in no admission/ reduced intake category. However the Council has decided to take a lenient view and give you yet another **last opportunity** to rectify the deficiencies particularly with regard to faculty shortage, proper cadre ratio & requisite qualification. Course-wise approved intake in respect of **SITADEVI RATAN CHAND NAHAR ADARSA COLLEGE, 5TH MAIN ROAD,, CHAMARAJPET,, BANGALORE - 18, , ,** your institution for the year 2005-06 is as under: -

**Note:-** Additional intake/new courses/PIO quota not granted on account of deficiencies in respect of running existing courses/intake.

The above approval is subject to your rectification of deficiencies latest by August end, 2005. A compliance report indicating rectification of deficiencies and details of faculty recruited for each course must be received by the Council, with a copy to concerned Regional Officer latest by 31<sup>st</sup> August, 2005 to entitle your institution for extension of approval for the year 2006-07.

The compliance report must be accompanied with a visiting/processing fee as prescribed by the Council in the form of demand draft in favour of Member Secretary, AICTE payable at New Delhi. In the absence of the processing/visiting fee, the compliance report may not be entertained.

Following the compliance report, the Council would verify the status in respect of rectification of deficiencies through physical inspection without any prior intimation. The institution should therefore be prepared for random inspection without any prior notice. Extension of approval for the year 2006-07 shall be dependent on the compliance report and the outcome of the surprise inspection.

Sub: Extension of AICTE approval / Increase in Intake / Grant of additional course to Sitadevi Ratan Chand Nahar Adarsh College, 5th Main Road, Chamaraipet, Bangalore - 560.018

Sr,

This is in partial modification to the Council's earlier letter of May 2009, the revised status of the programme of the Institute, which is already on AICTE's official website on 21<sup>st</sup> July, 2009 follows:

S.No	Name of the course(s)	Existing Intake	Revised Intake
1	MBA-FT	60	90*
	Total	60	90

Note: \*The approval for Increase in Intake / additional course(s) / variation in Intake is valid for two year from the date of issue of this letter for obtaining affiliation with concerned University and fulfilling concerned State Govt. requirements for admission.

"That the Institution shall take appropriate measures for prevention of ragging any form, in the light of direction of Supreme Court of India in Writ Petition No. (C) 656/1998. In case of failure to prevent the instances of ragging by the Institutions, the council shall take appropriate action including withdrawal of approval."

The additional intake is being granted based on the projection shown in the Detailed Project Report regarding additional built-up space, faculty and other facilities for the proposed intake. It may be noted that all facilities including additional built up area should be made available before the commencement of the next academic session. Random surprise inspection would be carried out to verify facilities and if the Institute is found deficient in fulfillment of norms & standards of AICTE, appropriate action would be initiated by the Council.

Please note that others terms & conditions mentioned in the earlier letter of May 2009 will remain same.

This approval is granted based on the Appraisal of the information by the Institution on infrastructural faculty and academic facilities created for the proposed course(s). Therefore the approval is subject to the verification of the claims made by the Institution through an Expert Committee visit. In case the claims made by the Institution are found to be false, the approval granted shall be liable to be withdrawn.

Yours Faithfully,
